IDBI Bank launched the Cash at POS facility

IDBI Bank Ltd. today launched the Cash at POS facility at the Reliance Trendz store situated at Bandra, Mumbai. IDBI Bank is amongst the first few banks to launch this facility. The facility would enable debit card holders of any bank in India to withdraw cash of upto Rs.1000 per day at designated merchant establishments by swiping their debit cards on the Point of Sale (POS) terminals. The facility can be availed of either as a pure cash withdrawal or alongwith purchase of goods & services. The merchant establishment will not levy any charges for dispensing cash. IDBI Bank has decided to offer this facility free of charge to its debit card holders.
