ABOUT THE COUNCIL

“**INDIA - KOREA SME COUNCIL**” will act as a bridge to exchange information on business, import, export, joint ventures, technology transfers, contract manufacturing tie up and other business opportunities in various sectors as well as investment promotion in both the countries.

The Council is jointly initiated by Small and Medium Business Development Chamber of India (SME Chamber of India) and India International Trade Centre (IITC-INDIA) and Supported by Maharashtra Industrial and Economic Development Association (MIEDA), SME Export Promotion Council, Packaging Industry Association of India (PIAI) and SME Business Management Institute to accomplish the objectives.

This will also be useful for identifying business partners, collaborations, alliances, setting up industrial units, display products and services and other related business activities as well as to take up issues to concerned authorities.

The Council will put efforts to take full advantage of the India Korea Comprehensive Economic Partnership Agreement (CEPA) and organise various activities to create business atmosphere, educate and create awareness amongst SME Sector for better business growth and investment promotion.
