ABOUT THE COUNCIL

“INDIA - POLAND SME BUSINESS COUNCIL” was initiated by Small and Medium Business Development Chamber of India (SME Chamber of India) jointly with India International Trade Centre (Investment and Trade Promotion Organisation), Maharashtra Industrial and Economic Development Association (MIEDA), SME Export Promotion Council, SME Importers Association of India (SIAI), Packaging Industry Association of India (PIAI) and SME Business Management Institute to organise various trade promotional activities to accomplish the desired objectives.

The Council will act as a bridge to integrate the entrepreneurs, business tycoons, industrialists, Investors and SMEs to enhance business growth, export promotion, import facilitation, inbound and outbound investments, joint ventures, technology transfers, contract manufacturing tie-ups and other strategic business partnership amongst India and Sweden. This Council will also bring together the Government authorities of both the countries to resolve the issues and problems for improving bi-lateral trade and inbound and outbound investment promotion and to identify emerging business opportunities.

The Council will put efforts to take full advantage of Economic Cooperation & Diplomatic relations between the two countries and organise various activities to educate and create a conducive business atmosphere amongst the SME Sector for better business growth and investment promotion.

This platform will support for identifying new business partners, collaborations & alliances, setting up industrial units, display products and services, exhibitions and other related business activities as well as to take up issues to concerned authorities.
