## ABOUT THE COUNCIL

“**INDIA - HUNGARY BUSINESS COUNCIL**” will act as a bridge to exchange information on business, import, export, joint ventures, technology transfers, contract manufacturing tie up and other business opportunities in various sectors as well as investment promotion in both the countries.

The Council is jointly initiated by Small and Medium Business Development Chamber of India (SME Chamber of India) and India International Trade Centre (IITC-INDIA) and Supported by Maharashtra Industrial and Economic Development Association (MIEDA), SME Export Promotion Council, Packaging Industry Association of India (PIAI) and SME Business Management Institute to accomplish the objectives.

This will also be useful for identifying business partners, collaborations, alliances, setting up industrial units, display products and services and other related business activities as well as to take up issues to concerned authorities.

The Council will put efforts to take full advantage of Economic Cooperation Agreement between the countries and organise various activities to create business atmosphere, educate and create awareness amongst SME Sector for better business growth and investment promotion.

## **ABOUT THE CHAMBER**

SME Chamber of India, a premier national Chamber has been working for the development of SMEs from manufacturing, service sectors and allied industrial / business sectors for the last 27 years. The Chamber integrates SMEs, large corporates, MNCs, banks, investors, policy makers, Young & Women entrepreneurs and Start-Ups to establish and enhance contacts for better business growth and expansion.

The Chamber has been on a forefront for policy implementation, policy change and encouraging SMEs to avail various incentives, government schemes as well as business and investment opportunities in the era of Make-In-India. The Chamber organises various activities to impart knowledge, skills, scale and provides a platform for promotion of products and services, enhancement of contacts for the business growth, utilisation of unique marketing and branding facilities, advance technology for improvement of capabilities & productivity, quality assurance, utilisation of benefits and advantages of various government departments for domestic and export promotion. The Chamber is also channelising finance from banks & FIs, export finance, venture capital, private equity, external commercial borrowings and investment for enhancement of business activity.

The Chamber has been providing unique support to SMEs, Young & Women entrepreneurs and Start-Ups to convert business ideas and new concepts into profitable business ventures as well as strengthening family manage businesses for better development as well as transition and transformation.
